

COVID-19: SOP for passenger movement post disembarkation- Tamil Nadu

Passengers returning to Tamil Nadu from other countries will be tested and their samples will be collected at the airport.

According to a Government Order (GO), passengers who test positive for the novel coronavirus will be sent to hospitals and those whose test returns negative will continue to stay at institutionalised quarantine centres or at designated hotels for a period of seven days.

On the seventh day, their samples will be tested once again and if it returns negative, they will be sent home and asked to be on 14-day home quarantine.

Passengers who will be sent to Institutionalised quarantine centres can choose from the different accommodations based on price range.
